Inness Marigold—Here is a heifer that is good enough to go anywhere. She is a good typy heifer with a world of width and depth, plenty of hind quarter and good straight legs. Also note she is a double bred Emperor from our popular Marigold family. Definitely a show prospect. Calfhood vaccinated.

Shick Shack Vanity 3rd is a very good producing cow. She is thick, has short legs and a good head and always in good flesh. You will note she is sired by an imported bull, Uppermill Adjutant, a grandson of Calrossie Randolph, one of the best breeding bulls ever in Scotland. Her dam, Shick Shack Vanity, sired by a son of Calrossie Mercury, a Perth champion. I am retaining a heifer out of her in the herd. Will calve before sale to Broadhooks Envoy.
